

YMA Solutions supplies products and manages requirements for federal agencies and military units, with a principal accountable for every order. Army National Guard units in a dozen states and the U.S. Air Force Academy are repeat customers.

COMPANY OVERVIEW

YMA Solutions LLC is a small business serving federal agencies and military units. YMA manages each requirement from quote to final invoice (sourcing, production and delivery oversight, quality control and invoicing) and remains the customer's single point of accountability. Government Purchase Card orders welcome.

CORE CAPABILITIES

- Promotional products, branded apparel and tactical gear
- Recruiting, marketing and event support
- Graphic design, printing and custom imprint coordination
- Program management and administrative support
- Sourcing, logistics and multi-site distribution
- Quality control, contract administration and invoicing

DIFFERENTIATORS

- Direct access to company principals on every order
- Repeat customers since 2020, with every order delivered and paid in full
